Mobau Pro GmbH & Co. KG welcomes you to Transporeon Time Slot Management for Retailers

Hi there!

We are optimizing our delivery process through Transporeon Time Slot Management for Retailers to:

- Improve our delivery planning
- Reduce congestion
- Cut delivery-related costs for you and your partners

Starting from **30.05.2023** the following Mobau Pro GmbH & Co. KG locations will start using Transporeon Time Slot Management for Retailers:

Mobau Wirtz & Classen GmbH & Co. KG, Hückelhoven

Reporting for delivery without a booked slot will result in delays on site.

Transporeon provides you:

An easy-to-use efficient freight management platform, accessible from your browser	Online overview of all your bookings anytime, anywhere	The option to manage different orders in a vehicle with 1 booking	A space to stay connected with your partners without time-consuming communication and manual efforts
---	---	--	---

What does Time Slot Management for Retailers mean for you?

Constantly be in control of your truck planning to optimize capacity

Boost savings with faster turnarounds, reduce waiting time by up to 40%

Become a key partner and contribute to the supply chain productivity

Register your account and connect with your customer

If you have already a Transporeon account and your contract is up to date, please contact Transporeon directly via the [Helpcenter](#) and provide your customer number – afterwards your account will be activated and you will receive a notification/training mail.

If you or your transport service provider already have an account on Transporeon or Transporeon Freight Procurement (ex Ticontract), **connect with Mobau Pro GmbH & Co. KG** by **updating** your agreement [here](#).

You or your transport service provider **don't have a Transporeon account yet?** Register [here](#).
